Donor Appeal Letter

Nov. 27. 2018.

Dear BARC Donor,

We at Main Mentors have had our busiest year yet, and we hope we continue to be busy pairing struggling students with supportive mentors. After appearing on CNN and gaining national attention, our popularity has skyrocketed. In fact, we are having difficulty finding enough mentors to find the perfect match for our students.

Since you have donated so generously in the past, we would like to ask if you would be interested in training to be a mentor. Even if you are unable to be a mentor, any additional donation or volunteering would be significantly helpful to us in this time of growth. We want to continue to support the community of Dorchester, and be able to support every student that needs our support.

Sincerely,

Elizabeth Marlboro
Executive Director
